Dear Loving Vi and Family,

We received your E.mail and we are very happy to know that the teachers of Marianna want to support the mission.

We are in need of rain water collection in Providence Home. If they are willing to assist for tank we will be happier.

We will send the estimation if they have an alternative for tank instead of Borehole.

Sr. Rosily Pidiyath our former Mother General is coming to Kenya instead of Sr. Mercy.

Regards from the new Mother and team.

Kisses to Marianna, Matheo and Francy.

Thank you very much.

May God Bless you all,

With love,

Sr. Alphonsa
