Dear Sir,

SUB: Proposal for Borehole Drilling at Marshabit area by DTH Drilling method Borehole

We refer to your request for us to quote for drilling of a borehole in the above mentioned area. Enclosed is our quotation No. ARL 067/2017 for your consideration.

Please note the terms and conditions for the drilling works as follows;

- > Drilling permit from water Resources Management Authority is a Pre-requisite before commencement of drilling works
- > Accessibility of the drilling unit to the site is the client responsibility.
- > We do not guarantee the quality or quantity of water.
- > We have no control of natural resource, therefore in any geological condition, ground formation or any circumstances we shall not be responsible for any damage, loss or accident.
- > Waiting charges of Ksh 5,000/- per hour will be charged in the event of stoppage of work/non commencement of borehole drilling due to act or any reasons attributes to client.
- > Drilling may be stopped short of the agreed depth if there is a joint opinion between the employer/client and the Contractor is sufficient water has been obtained, or in case of difficult formation is encountered and further drilling is not possible. The Client will be charged as per the final bill of quantities of the actual measured work irrespective of dry borehole and quantity and quality of water.
- > Any extra work executed but not charged for in the quotation shall be paid by the client as per agreed rates.
- > Time Schedule: We will take 2 weeks or less to drill one borehole (assuming no technical problem or mechanical breakdown is encountered)
- > The rates quoted are for DTH Drilling method.
- > In case of any dispute the client or his agents can't hold our Machinery and Manpower at site. The disputes shall be resolved at our office only.
- > This offer is subject to Nairobi Jurisdiction.

Validity: The Quotation is Valid for 30 days after which it is subjected to confirmation in writing.

We hope this is in order whilst we wait for the receipt of order. If you have any further enquiry do not hesitate to contact us.
