Dear Franci,  
How are you? How are the kids?  
Hope you are fine. Here everything is ok.  
Very hot no rains.

I like to ask you, there is one girl in Alakara needs operation on hips.  
She is 14 years called Jacinta, she needs 150,000 ksh.  
They are correcting the hip born. Last month I took her Naromorow to see Italian visiting ortho  
doctors. After this operation she can walk properly.  
Could the collective sponsorship could help her? If it is possible only.

With love and prayers  
Sr Alphonsa.k
